

HD Voice

The newest hot button capability in collaboration is high definition audio. HD voice has huge ramifications for businesses. Conference calls with HD audio place less audio strain on the listener and allow conversations to be heard more crisply and clearly. Ready to make the jump

to the next generation of audio services? For more information on how CONTEX Summit HD Voice can brighten your voice offering, contact your account manager or email csdsales@compunetix.com. Or hear for yourself! Visit our [YouTube page!](#)

Dr. Coraluppi Named EY Entrepreneur of the Year

Congratulations to Compunetix President and CEO Dr. Giorgio Coraluppi who was named Ernst & Young's Master Entrepreneur of the Year for the Western Pennsylvania and West Virginia region! The EY Master Entrepreneur of the Year award is presented by EY to an individual who has made outstanding contributions as an entrepreneur. To read the award release, please visit our [press page](#).

New RSB Release

The newest general release of our Reservation, Scheduling, and Billing software tackles many of the demands our customers face from a billing management perspective. Users can now sync billing and provisioning with their integrated WebEx services. Schedule WebEx calls via the RSB Portal on the CONTEX Summit more quickly and easily with just a few clicks. For more info on the RSB, visit http://www.compunetix.com/ix/assets/pdfs/products/CONTEX_RSB.pdf.

Companion Mobile App

The Video Systems Division has gone mobile!

Video call participants active on an EVERGREEN platform can now access calls and speak face-to-face with other callers on their mobile devices. Companion is the conferencing solution for users who want more control at their fingertips. With seamless and intuitive functionality, Companion makes video collaboration simple and now, "always on, always along" with your iOS or Android device. To learn more, [click here](#).
