

# Press Release

Pompa adds, "Our CSP customers build their business upon this platform and depend on its functionality and reliability. Similarly, our enterprise and government customers rely upon our systems for their particular missions. All customers participating in this program will be able to trust our long-term commitment to product support which further protects their investment in the CONTEX systems."

Compunetix is the leading manufacturer of multipoint collaboration equipment in the world. With over 200,000 ports installed in more than 25 countries, the company has the industry's largest worldwide deployment of digital teleconferencing systems. Dedicated to customer-focused and innovative technology, Compunetix engineers and manufactures all aspects of its conferencing equipment, ensuring its customers that their bridges are the highest quality, most reliable and most flexible solutions available. For more information call Robert Haley at (800) 879-4266 or (412) 373-8110, or visit the Compunetix Web site at [www.compunetix.com](http://www.compunetix.com).
