## FOR IMMEDIATE RELEASE

### Compunetix to Speak at GovComm 2011

#### *Director of Marketing to speak at the IMCCA session on Unified Communications*

Monroeville, Pa., October 27, 2011 – Compunetix, Inc. is pleased to announce that Mr. Robert Haley, Director of Marketing for the Communications Systems Division, will participate in a panel of distinguished speakers addressing "Understanding Unified Communications and Collaborative Conferencing" at the Interactive Multimedia & Collaborative Communications Alliance (IMCCA) session at GovComm11. Designed to serve the Washington, D.C. area technology managers, end users, and procurement officers, GovComm provides the opportunity to meet with today's AV innovators who have the technology, trends, and training needed in the government or military sectors to accomplish mission critical goals. This year's exposition will be held November 1-2 at the Walter E. Washington Convention Center. For additional information on the show or to register, visit <http://www.govcommshow.org/>.

Compunetix has the largest worldwide deployment of mission-critical collaboration systems in the world. The CONTEX family of products features JITC certification, assuring the highest voice quality with ease-of-use and plug and play interoperability. Current customers include the Department of Defense, government agencies, and military bases nationwide.
