FOR IMMEDIATE RELEASE

Compunetix Video Systems Division and Chorus Call Power VCIG Live!

Monroeville, Pa., February 20, 2013 – The Compunetix, Inc. Video Systems Division (VSD), a global leader in carrier-grade, VoIP and high definition video collaboration solutions, is pleased to announce that it is now a Circle of Leaders level member of the Visual Communications Industry Group (VCI-Group), and together with partner and sister company Chorus Call, will co-host VCIG Live!, an interactive videoconferencing and streaming event. The session will host industry experts and analysts as they explore the inner workings of WebRTC and its impact on the videoconferencing and Unified Communications industries. VSD's EVERGREEN collaboration platform is the technology behind Chorus Call's global videoconferencing and streaming services. This event will be one of VCI-Group's largest live productions to date. Registration is free to VCI-Group members and guests, visit <http://vci-group.org/Events/vciglive.aspx> for additional information.

"VSD and Chorus Call are proud to be the sponsors and carriers of this essential industry discussion," states Mr. Eric Murphy, Global Solutions Manager of VSD. "We continually strive to support the growth of the video collaboration marketplace with our sponsorship efforts as well as with our industry benchmark products and services."

About Compunetix, Inc.

Compunetix is the global leader in carrier-grade multimodal conferencing and collaboration solutions including VoIP and HD video, all powered by superior hardware design. With over one million ports installed in more than 30 countries, the company has the industry's largest worldwide deployment of digital conferencing systems. Dedicated to customer-focused and innovative technology, Compunetix engineers and manufactures all aspects of its conferencing equipment, ensuring its customers that their media processors are the highest quality, most reliable and most flexible solutions on the market.
