

## SONEXIS CONNECTS: Court Proceedings

Providing reliable technology solutions for telephonic court appearances

The Sonexis ConferenceManager™2 platform is the most configurable collaboration choice available to courts today. It's adaptable, innovative, and intuitive. It integrates with most existing court tools, and now, it's part of a comprehensive solution for telephonic court appearances, Sonexis CourtConnect.

Sonexis CourtConnect allows users to schedule and manage remote appearances for court proceedings of all kinds. It provides seamless access to connect judges, attorneys, and other parties for hearings, trials, mediation, arbitration and more.

### Sonexis CourtConnect

## Discover the Benefits

### Attorney Scheduling

Lawyers schedule themselves via the convenient website portal.

### Email Confirmations

Lawyers are emailed the conference details when they register on the website.

### ActiveTalker Identification

A visual indicator enables all parties to easily identify the current speaker.

### Private Sub-Conferences

The plaintiff and/or defense teams are able to initiate sub-conferences via a simple point-and-click interface. There is support for up to ten sub-conferences off of the main audio conference.

### Facilitating Remote Proceedings

A dedicated moderator can manage all remote court proceedings and facilitate the transition between cases by privately prompting lines who are next on the docket.

### Addressing the Court

At any time, connected participants can signal the court moderator by remotely "raising their hand." These participants are automatically queued for moderator acknowledgment.

### Digital Court Session Recording

With a single click, the main sessions can be digitally recorded. Users can later retrieve the recorded file by download.

### Tracking Usage

Statistical data for each appearance can be used to track contact between parties, their attorneys, and/or the courts.

# Virtual Telephonic Court Appearances

The user-friendly application helps facilitate remote depositions, testimony, and a wide range of other activities throughout Federal, State, and Local Courts.

SONEXIS CONNECTS:  
COURT PROCEEDINGS

The screenshot displays the Sonexis CourtConnect interface. At the top, there is a 'ConferenceManager' window with a 'Live Conferences' table. Below this, there are three 'Conference View' panels, each showing a list of participants and their contact information. The interface is annotated with numbered callouts 1 through 4.

| Display                             | Host Name      | Conf ID | Subject      | Start Time | Scheduled End Time |
|-------------------------------------|----------------|---------|--------------|------------|--------------------|
| <input checked="" type="checkbox"/> | Judge Hamilton | 7788    | Hearing 6754 | 5:26:00 PM | 5:56:00 PM         |
| <input checked="" type="checkbox"/> | Judge Anderson | 2228    | Hearing 1535 | 5:26:00 PM | 5:56:00 PM         |
| <input checked="" type="checkbox"/> | Family Court   | 9476    |              | 5:26:00 PM | 5:56:00 PM         |
| <input type="checkbox"/>            | Judge Person   | 1024    | Civil Court  | 5:32:30 PM | 5:47:30 PM         |

**1** Agent Control Area: The top toolbar of the interface.

**2** Active Courtroom List: The 'Live Conferences' table.

**3** View Panel: The detailed view of a conference, showing participant names and contact information.

**4** Sub-Conference Support: A 'Private with Operator' window for a specific participant.

## Sonexis CourtConnect

- 1 Agent Control Area** - Instantly view all incoming callers. Lines can be labeled based on the type of court appearance.
- 2 Active Courtroom List** - Displays all active courtrooms at a glance.
- 3 View Panel** - Multiple courtroom viewing enables complete monitoring and control of all cases.
- 4 Sub-Conference Support** - Moderators can initiate a private conversation with anyone.

### Enhancing Productivity

Virtual appearances can now be used in all courts - large and small. With Sonexis CourtConnect, attorneys no longer have to travel to the courthouse for every appearance - saving time that can be used much more productively for their clients.

### Minimizing Expenses and Generating Revenue

By incorporating Sonexis technologies into the court, you can streamline processes and overcome barriers across the justice system without relying on expensive third-party services. This not only saves on court expenses, it also helps generate income within the system itself.

Discover how Sonexis has assisted courts across the country achieve reliable telephonic appearances.
