

CONTEX Report™ Training

This half-day training course is designed for guide trainees through generating any of the sixteen standard reports that is available with CONTEX Report.

This course offers trainees an in-depth look at the CONTEX Report application. Trainees are shown how to manage system configurations (including adding CONTEX systems and setting up users), how to generate the reports, and how to interpret the reports.

This course can be held either at the customer location or at the training facility in Pittsburgh.

The prerequisite for this course is a basic knowledge of Crystal Reports.

For more information, please call **(412) 373-8110** or contact **csdtraining@compunetix.com**

TRAINING COURSE CONDITIONS

The course registration deadline for courses being held at the Compunetix training facility is fifteen business days in advance of the scheduled start date of the training course.

Compunetix reserves the right to reschedule any training course for which the course registration, at the time of the registration deadline, is less than the course minimum of two students for Maintenance Training courses and four students for the operator training courses. In such an event, the customer will be notified the course has been canceled at least three business days in advance of the scheduled start date of the training course. Should a course be canceled due to lack of participation, the customer will have the option of canceling the course registration purchase order or applying it to the next scheduled training course.

If the customer cancels any training course for which they were registered within seven business days of the scheduled start date of the training course, Compunetix reserves the right to charge the customer 30% of the fee for the course.
